INSTRUCTIONS FOR AN INDIVIDUAL SUBMITTING A BADGE

Please print legibly and in dark ink. If need be, consider using a computer, typewriter, or scribe.

Society Name: To register armory, you **must** have a Society Name already registered, in the registration process, or submitted with the armory. Write your Society Name, in full, spelled exactly as the College of Arms registered it (or as it was submitted if it's in progress). Do not add titles (e. g., "Lady", "Sir"). Do not write an alternate persona name or a household name here. The name on a membership card doesn't count for this—only heraldic registration matters.

Name this badge is to be associated with: Optional. If this badge is for a household, guild, alternate persona, et cetera, give that Society Name here. That name must be already registered, in the registration process, or submitted with the armory.

This name is (pick one), etc.: Show the registration status of your own Society Name (not of your associated household, alternate persona, et cetera). "Previously submitted..." means it's still in progress but not yet accepted or returned.

Legal name, Mailing address: When we need to send you a letter, we'll use these on the envelope.

Branch name: Give the name of the SCA branch you're submitting this form through.

Phone number, E-mail address: Optional. Faster ways for us to ask you questions.

Date submitted: The date you hand the form to your local herald.

Date of birth: We use the Society Name to tell whether submission forms are for the same person or not. However, if that fails due to error, we can use your Date of Birth. (Your *real* birth, not your persona's!)

Consulting herald, Herald's e-mail / phone: Optional. More ways for us to ask questions.

Action type: For Change, if you have more than one existing badge, say which to release. For Appeal of a return, also check the Kingdom or Laurel box just above to show who returned it.

Is this badge jointly owned? / If Yes, co-owner's Society Name: If you want this badge to have two people owning it, mark the Yes box and list the secondary owner's personal Society Name, in full, exactly as registered (or as submitted, if in progress). The primary owner has the right to release, permit conflict, et cetera, but it's also listed under the secondary owner.

Check here for a fieldless badge: Personal badges in period were heraldic objects without a fixed background color—for example, the Yorkist badge [*Fieldless*] *A rose argent*. If you want a fieldless badge, mark this box and don't color in the background of the badge.

Proposed blazon: Help our computer scanning—avoid writing near the edge of the badge.

The badge: Consider getting a heraldic artist. Non-heraldic art may cause confusion or return. Make elements Big, Bold, and Butch, to fill the space available within reason. Use thickish lines for major outlines, to help computer scanning. For example, the outline of the circle on the form is a nice thickness.

Make your original a black-and-white outline drawing. Do not fill in black areas. Do not use grey.

Attached sheets: Optional. If you're a paid member, consider attaching a copy of your SCA, Inc. membership card. **This is optional.** The only use: if Laurel Sovereign of Arms considers two conflicting pieces of armory at the same meeting, and one is a paid member and the other is not a member, the paid member wins. Rarely happens, but ...

In the unlikely case you need to do other attachments, ask your herald how and attach justifications as needed. Some cases: a restricted charge (e. g., a white belt); an appeal statement; a "grandfathered" usage (RfS VII.8); a charge never before registered; Documented Exceptions (RfS VIII.6).

FOR AN SCA BRANCH: Follow the above instructions for individuals, with these changes:

Society Name: the name of the branch. E. g., "Torre de los Brazos, Shire of", "Steppes, Barony of the".

Legal name, Mailing address, Phone number, E-mail address, : for some contact person in the branch—the seneschal, the herald, the baron/ess, ...
